Hello there, we are here in October already. Time has a way of getting ahead of us. As I am writing this I am remembering the last month, seeing all of you wonderful people in the Branch, Unit and Club, sharing life moments with many of you, bringing in new members and talking stories of long ago. Thinking aloud, this is the exact reason we exist. We are there to provide checks and balances to life. Reaching out to people, going through this journey not alone, but with FRIENDS. I recently had a little health scare and was hospitalized for a few days. As I returned I was met by my 170 family and let me say, I felt the love that exists only in a place such as ours. I was reminded to not shut out our family and embrace them in all times, good and bad, as that is what family and friends are. So, people, embrace the love we have for our brothers and sisters in 170 and share that in our Everett community. Let's let everyone know that 170 means perpetual love and ANYONE can come to us for friendship and peace.

I have continued to say that leadership is a cornerstone of success within our Branch 170, Unit 170 and our Board of Governors for Club 170. WE NEED YOU!!! We need people with business sense to be our leaders! Many of you have had careers where you ran projects, tasks and people. Bring that in to our organizations. We are currently looking for all 170 leaders. We would really appreciate your years of wisdom and oversight....STEP UP people! 170 NEEDS YOU!! Remember, we are all 170!!!

Remember, any feedback you would like to give is welcome. Please use the comments box and ALL comments are read by our Governors.

As I wrap up this letter I want to thank you all for reading it, coming to the Branch, Auxiliary, and Club 170 and participating and enjoying spending your time with us. Be kind to each other and let's continue to make this year special. May God Bless all of you, our wonderful city of Everett, our Armed Forces, and the United States of America...

In Loyalty,
Protection and Service

FLEET RESERVE ASSOCIATION 170 - Auxiliary

Loyalty First....**Protection** Assured....**Service** Always

Greetings from your Auxiliary! We have new officers in place who would love to meet each one of you! Please take the time to come on by, the monthly meetings are every second Thursday at 5pm or if you see us on the club floor say hi...again we would love the opportunity to hear your ideas on charities or activities to make FRA 170 even greater than it is. We have a current vacancy in the Treasurer spot and would love to find an individual willing to commit for this current year. Please let us know if you know of an individual who we can speak with.

President: Carrie Sears

Vice-President: Cindy Salsbury

Secretary: Diann LaBay

Treasurer: Currently Vacant and filled temporarily by Carrie/Cindy

With the school year upon us we have extended our charity of choice...several Everett schools. The barrel was decorated and glamified by our own Diann LaBay and can be found by the front door. You'll also find suggestions on items needed by these students next to the barrel. But of course anything is welcome, when it comes to our kids all we really want is for them to succeed and not worry about the little things. Deadline for the donations is October 12th. The upcoming charity for November will honor Veteran's Day and supports the homeless vets of Everett.

October 26th will be the next Paddle Wheel hosted by the Auxiliary. We've had incredible participation and we thank you whole heartedly for your support. Let's see what the next brunch with a twist brings!

We've also had incredible support for the Unit 50/50, we hold the drawing every Thursday at 7pm and you do not have to be present to win. Look for an Auxiliary officer or Nate LaBay (we love Nate!) to purchase tickets.

We're looking for this to be an incredible first year for us...and we really appreciate being able to serve you!
Thanks All!!

Dates to Remember:
