Wow, 2019 is really moving along. March is here, can you believe it? All that snow, where the heck did that come from? I hope that is behind us...Call out to Mel Steele-thanks for all you do to include snow plowing our parking.

The Picture of the month club raised \$191.00 and was won by the Locke's. Congrats, great picture, Eagle in Flight....

The Superbowl party was a huge success. Thanks all that made that happen, really appreciated!!

The Unit is strong and under really great leadership. Carrie Sears and Cindy Salsbury continue to keep the Unit in great standing. They can really use help, meeting attendance and officership is needed. Step up, it is worthwhile and YOUR UNIT...We still have the Madison Elementary drum and are ALWAYS collecting donations of food, nonperishable. Those families appreciate all you do.

As we go forward in the year and see many changes in our society, remember we are all in this journey together. People may have their different beliefs, but we are ALL in this together and everyone and I mean everyone is as important and special as the next person. Err on the side of love in ALL your dealings, be civil and kind to ALL people and help keep our community a better place. Leave this place better than you found it-Make a difference.

Remember, any feedback you would like to give is welcome. Please use the comments box and ALL comments are read by our Governors and they do respond back. Remember, this is your place.

As I wrap up this letter I want to thank you all for reading it, coming to the Branch, Auxiliary, and Club 170 and participating and enjoying spending your time with us. Be kind to each other and let's continue to make this year special. May God Bless all of you, our wonderful city of Everett, our Armed Forces, and the United States of America...

In Loyalty,
Protection and Service
Irving Salsbury
President, Branch 170
