And the summer continues to fly by! As the days begin to get warmer come on in take a break from the heat have a drink with us and enjoy one of the many activities at the club. If you have any suggestions or ideas, let us know and drop them in the suggestion box by the front door of the club. We appreciate the feedback and more than that we REALLY appreciate your help. Volunteers are greatly appreciated and hey you could earn a free drink for a little bit of your time.

The club picnic is coming August 3rd, I look forward to seeing all of you there. Details can be found in the club portion of the bulletin and at the club. Come on out and join the fun!

Branch continues to host dinner on Friday nights during paddwheel. It is becoming increasing difficult to come up with ideas of easy to handle dinner ideas without repeating the same old thing over again. As we continue to try and find a cook, we would really like to hear from you, is this something we should continue? Do you have some ideas of simple things you may want to see served? Do you have 20-30 minutes to help out a little? Let us know.

As a reminder the FRA Regional Convention is September 6-8, 2019 at the Delta Hotel, 310 Pine St, Everett WA. (right in our back yard) we encourage all to stop in for this.

I want to thank you for being a part of FRA Club 170, Come down and join us for some food, drinks, conversation and fun. As we get deeper into the summer months and the weather gets warmer stay cool and stay safe. See you at the club!
