The short month of February is over. It seems for now the weather is getting a little better. Moving towards spring generally means still more wet weather. Come into your club and enjoy some time with friends and family. Our cook is doing an excellent job in the kitchen with dinner specials every Friday and Saturday evening. We always have something going on!

As the year continues to press on the Branch still continues its focus on membership drives. We have some ideas in the works as to what we can do to help our membership and in turn be able to help the veterans of our community. One of those ideas is to have a booth at the Everett Farmer's Market in the coming months. We still need more ideas, please stop on in for one of the meetings and share your thoughts with us.

This past month we have decided to purchase a new sign for the side of the building and a new sign to replace the one near the back gate. These are a few more ideas brought by members like you come in and share some more.

In just a short couple of months we will be hold elections for the Board of Governors, Board of Directors and for Branch Officers. if you have interest in becoming involved in that fashion or if you have an interest in how your Branch is run, think about it and again; come on in and share your thoughts.

Important dates this month; March 3rd –World Wildlife Day, March 6th National Oreo Day, March 8th Daylight Saving Begins, March 9th National Napping Day, March 13th World Sleep Day, March 17th Saint Patrick's Day, March 20th International Day of Happiness, March 25th International Waffle Day, March 29th Vietnam War Veteran's Day.

As always, I want to thank you for being a part of FRA Branch, Unit and Club 170, Come on in, relax and have some fun!!

Semper Fidelis, Semper Fortis, Semper Paratus
