To all Branch, Unit and Associate members;

The Branch meeting will be on July 12 at 4:30 P.M.

We will do installation of Officers at this meeting.

I was informed that the light that illuminates our flag at night was not working and needed to be fixed. The person who informed me did it by putting a suggestion in the suggestion box and also included a two-page letter with pictures of Flag protocol. Thank you very much for letting me know the light was out, it will be fixed expeditiously if all materials are in stock at our supplier. The suggestion box is normally checked once a month, so please let me know, or any of the other officers which are all named on the reader board in the club room, of any building issues that need to be addressed as far as the care and maintenance for the building.

Our annual picnic is the first Saturday of August at the American Legion Park in Snohomish which turns out to be August 5<sup>th</sup>.

There will be a Silent Auction held in our meeting room so please bring all your items, no clothing please, the proceeds help with the cost of the picnic.

The 4<sup>th</sup> of July is just a few days ways please be safe but have a great time celebrating our Great Country's Birthday.
