I received an email from NW Region Sec/Treas Peg Burke asking if we have any accredited VSOs in our Branch and if so to have them fill out the newest updated VA Form 21. So, if any of you are an accredited VSO, please let me know so I can forward the new form to you and where to send them. My cell number is (425) 330-4024. Thank you in advance for your help in this matter.

Well, here we are with the holidays fast approaching and winter setting in. The Branch will be assisting some of our Veterans with Thanksgiving and Christmas again this year so if you can help it is appreciated.

As far as the club goes, we still haven't received any monetary payments for the accident that happened to our building. We are open and doing the best we can. We've haven't even received word when the reconstruction will start, we check almost daily but get no answers. What a mess.

That's all I have for now Shipmates, have a Great Thanksgiving and Christmas, and remember to give a helping hand where you can.
