Branch meeting will be held on Jan. 10 at 4:30 PM

I hope all of you had a great Christmas and New Year.

We start the year off still waiting for repairs to be made to our Branch home. We have done everything asked of us. The contractors have done their final inspections and estimates. We are waiting for the permits from the city of Everett however long that may take. This has been a very frustrating process for all of us and we are the innocent victims.

Hope all of you that wanted to become life members of the FRA signed up before the first of the year as I told you that the FRA increased the dues for Life members at the first of this year. I know some took advantage of that information.

I'm looking forward to the New Year when our Branch will grow in membership and we can support our Veterans, youth and our community.

Thank you all for your membership and support in all we do.

Anchors away Shipmates stay warm and safe.
