To all Branch, Unit and Associate members;

Branch meeting is March 08 at 4:30 P.M.

Regional President Rex Fabion paid Branch 170 a visit at our February meeting. Shipmate President Fabion gave us a very interesting and informative talk about what is going on back at National Headquarters. Some of the subjects that are being talked about are the possibility of selling the National Headquarters building and renting space as a cost savings move.

The monthly magazine will only be printed and mailed out every other month. You can go online on the months it's not printed and read it there.

Another thing he brought up was that total membership for the FRA is just above 28,000 and continuing to drop in size, which should be a big concern to all of us.

I would like to thank Regional President Rex Fabion for the visit and all of the information he shared with us.

I'm looking forward to seeing you at our next meeting.
