Well, here we are right at the start the summer season. The weather is getting warmer and dryer. It's time to get out and do some of the fun things our Beautiful State affords us, going to the beach, going fishing, traveling to the eastern side of the state, Crabbing opens the first of July. Ask a veteran to go along.

One important activity is the FRA 170 Golf Tournament which is July 6th. It's late but sign up for this great activity it's one of our largest support fund raisers for Veterans we do. Call the club, they can help you sign up.

Just a heads up that darn Covid 19 is still with us. I came down with it again June 21st and have been home taking medication and self-isolation. It's no fun so be careful and watch for symptoms, sore throat, headache, chest and head congestion. Those are some of the things to watch out for just be safe.

August 17 is the date of the 170 Picnic, it's a late date this year. Remember they can always use helpers. It's a lot of work so we can have fun.

That's all for now Shipmates, Anchors Away.
