

CLUB 170 NEWS

PERSONAL NOTE: I just want to say: YOU all are what makes my job easier. Your support and appreciation is what makes our club the friendliest most fun and I'd like to say the most successful in town. I get Kudos all the time but it truly is our members/volunteers and participation that makes this place what it is! FUN!!!! Special thanks to all my volunteers that fill in where needed without even asking. Much much appreciated. AND to RICH and BARB Deditius thank you so much for everything you both do behind the scenes! And last but not least to all my Branch board members...Thank you for your support and letting me do my job and have FUN while doing it. When we all support each other things work out so much better.
