

## FLEET RESERVE ASSOCIATION 170 - Auxiliary

**Loyalty** First....**Protection** Assured....**Service** Always

Greetings from your Auxiliary! Can you believe it's already February? The new year is in full swing! Another successful holiday season has come and gone and we are already looking forward to Valentine's Day.

Due to the incredible success of our Christmas charity, adopting families from Madison Elementary, we have adopted Madison as a year-round charity, in addition to our monthly charities. Our contacts at the school have expressed great appreciation but great need for additional assistance for the overlooked families within their school district. We are so excited and hopeful for this opportunity to serve our community and Cindy and I would like to thank all of you for your contributions!

On a serious note, I would like to address the lack of participation of auxiliary members. Cindy and I really love serving you and the community on behalf of the FRA Auxiliary 170, but, in order for us to truly fulfill the expectations of all of our members, we need help. We both are balancing full time jobs, kids still at home, and not only our duties as president and vice-president, but also the duties of secretary and treasurer, not to mention the weekly duties required to keep things going. This is rewarding, however frustrating, considering how many auxiliary members we have. FRA Auxiliary 170 is blessed to be attached to the Club and Branch 170; without their constant support, we would not have made it through so many hard times you all are aware of. It is time for our Auxiliary members to step up and help out. If each of you were to give just a little time each month, we could accomplish miles more than we have already! In just one short year, Cindy and I have made many advancements to make our organization stronger, just think if everyone participated, how much more we could accomplish?!

Onward and upward, Auxiliary members! There are so many fun new things in the pipeline, we just need participation to make it all happen.

### **Dates to remember:**

- Thursday, February 14th, 5PM Auxiliary meeting
- Friday, February 22nd, Auxiliary hosted paddle wheel
- Every Thursday, 7PM Auxiliary 50/50 Drawing (Do not need to be present to win)
