

FLEET RESERVE ASSOCIATION 170 – Auxiliary

Welcome to November! We are so close to the holiday season! A BIG welcome to our new auxiliary members who have joined in the past 30 days. We are so happy you're here!

October 10th we had our monthly meeting and discussed some exciting upcoming happenings! We had a great turnout once again. All Auxiliary members are welcome to attend.

We have some new projects in the pipeline which will be beginning this month. We are joining forces with the branch flag exchange program and utilizing the flags' stars before they are officially retired. We are creating small remembrance cards to be given away to veterans, beginning November 9th. If you have any questions or would like to get involved with this project, you can connect with Cheryl Young.

We will be raffling a huge basket of fun and yummy things for the holidays, stay tuned for more details!

Our charity for November is Heartbeat Serving Wounded Warriors. It is a wonderful charity that benefits wounded servicemembers and their families by offering emergency assistance, therapeutic services, support groups, and morale building programs. Such a great cause! If you have any ideas for future charities, please bring them to our next meeting.

As always, thank you to ALL our auxiliary members for your support and I thank the members who have been stepping up and getting involved. Your hard work is so appreciated!
