CLUB 170 NEWS - CLUB 170 NEWS

Here it is November already. Almost 2022.

Thank You Brian and Sandy for volunteering your time cooking up some great burgers again!

I would like to give a shout out to Roy and Bruce for also volunteering their time to support and run Bingo on Tuesday nights! They do an excellent job.

Also, a shout out to Ron Ketron for being one I can call when needed for various tasks, from selling paddles, climbing the ladders, hanging signs or anything if asked!

This Club cannot be run by one person. It takes all of us to get involved in one way or another. Either by supporting the day-to-day functions or donating to help with some of the extra activities.

If anyone has any ideas for a new function, please let me know. I think horse races has run its course as there has not been any participation in the last two months. We are talking about Saturday night being a game night as in Giant Jenga, Left Right Center, 13 Aces, Hole In One Golf, etc. I will keep you posted on this.

Thanksgiving Day we will be closed. Enjoy your family and friends. If this changes, we will let you know in the week at a glance.

Our semiannual Silent Auction will be coming up November 19th through November 28th. All proceeds will go to our Christmas Family Tree again. So, please clean out your slightly used things you do not need anymore and donate all month to the auction. Thank you in advance.

Christmas Party will be Saturday, December 11th. The fun starts at 6:30! Let us make it another fun time with friends. Do not forget there is always a White Elephant Gift Exchange. With guaranteed good times!! This will also be a potluck night unless I can find a cook for that night. Steele Country will be entertaining us with music for dancing after the gift exchange. It is bound to be an enjoyable time so plan on attending!!

Thank You for all your support through this year and remember to be kind to all as we are all in this together and you never know what someone else might be going through!!
